€ 295.000

Ref. A782

397 sq.m | Bathrooms: 3 | Bedrooms: 3 | Rooms: 8

Discover the extraordinary opportunity to own a piece of history in Tuscany: a former church built in 1651 in the heart of the Valdichiana, commissioned by the Bishop of Grosseto. This unique structure, featuring a Greek cross layout, was never completed, preserving an ageless charm and an authentic atmosphere.

Today, this exceptional building has received approval from the Heritage Authority for renovation, allowing its transformation into a private residence. This means you can live in an exclusive home that combines historic allure with modern elegance while preserving its original authenticity.

A one-of-a-kind opportunity, designed for those seeking something truly special: a property that is not just a house but a living experience immersed in the historical and artistic heritage of Tuscany.
